**Subject:** Proposed agenda for bi-weekly (& Teams meeting link)

Hi everyone,

EPA has just a couple of items that we would like to discuss tomorrow. Please let us know if there is anything else CARB would like to cover. Also, since it seemed like folks generally enjoyed the Teams format last week, we've gone ahead and set up a Teams meeting (see link below).

### CARB-EPA Bi-weekly Agenda

July 16, 2020; 9:30 am – 10:30 am

- Introductions
- Lesson learned/practical tips for developing 2015 ozone plans
- Advanced Clean Trucks Regulation (eventual submittal to EPA?)
